

Serenity Cove

VACATION COLLECTION

DYNASTY SPAS

We have had our Serenity Cove for almost two years, and we couldn't be happier. We were initially worried about the amount of upkeep required, but Dynasty's ozonator and filtration system take care of all the work. All that's left is for us to relax and enjoy our spa with minimal upkeep on our end. Our only regret is that we didn't buy it earlier!

Serenity Cove Lounger

82" x 82" x 39"
295 Gallons (approx.)

IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glow from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.

IN.STREAM 2, INTEGRATED BLUETOOTH™ AUDIO SYSTEM

Streamed from your spa, your favorite music never sounded so good! in.stream 2 audio station is a compact, rugged and splash proof all in one outdoor audio system that delivers an awesome sound quality through Class D amplifier technology to enhance your backyard audio experience. It comes with an in.p4 docking station that connects, protects and lets you control your audio player or smartphone directly from your spa keypad.

FEATURES 4 TYPES OF AUDIO SOURCES:
AUX, USB, FM, AND BLUETOOTH.

Bluetooth™
